

# Apu Deb Chowdhury

## Full-Stack Developer | Software Engineer

Sylhet, Bangladesh | +88 01725291718 | apudeb2000@gmail.com | linkedin.com/in/imdeb99 | github.com/imdeb99

### Technical Skills

---

**Programming Languages:** Java (OOP), Python, C/C++, JavaScript, PHP

**Web Technologies:** HTML5, CSS3, Bootstrap, Tailwind CSS, React, Node.js, Express.js, Laravel, WordPress

**Databases:** MySQL, MongoDB

**Frameworks & APIs:** RESTful APIs, MVC Architecture

**Tools & IDEs:** VS Code, IntelliJ IDEA, WebStorm, Android Studio, Git, GitHub

**Operating Systems:** Windows, macOS, Linux (Ubuntu, Kali)

**IT Support & Networking:** Hardware Troubleshooting, Printer Support, OS Installation, Network Configuration (LAN/WAN), TCP/IP, Internet Setup, End-User Support

**Productivity Tools:** Microsoft Word, Excel, PowerPoint, Google Docs, Google Sheets

### Education

---

#### Master of Information Technology (MIT)

Shahjalal University of Science and Technology

Jan 2026 – Present

Sylhet, Bangladesh

- **Relevant Coursework:** Advanced Computer Programming and Algorithms, Database Architecture and Administration, Advanced Computer Networking, Advanced Web Technologies

#### Bachelor of Science in Computer Science and Engineering (CSE)

Leading University

2020 – 2024

Sylhet, Bangladesh

- **Relevant Coursework:** Data Structures, Algorithms, Database Management Systems, Object-Oriented Programming (Java), Operating Systems, Computer Networks, Software Engineering

### Projects

---

#### Online Doctor Appointments Android App – Android, Java, XML, Firebase

- Designed and developed an Android app for online doctor appointments, enabling remote medical consultations, emergency ambulance requests, and home medicine delivery.
- Implemented Firebase backend for user authentication, appointment management, and real-time notifications.

#### Sylhet Food Hub – HTML, CSS, Bootstrap, JavaScript, PHP, MySQL

- Built a full-featured food ordering web platform with user and admin panels, restaurant and menu management, cart and checkout functionality, and a reservation system.
- Structured code modularly for maintainability and scalability.

### Experience

---

#### IT Support Engineer

Sourav Enterprise EU Ltd.

Dec 2024 - Sep 2025

Bashundhara Riverview, Dhaka

- Provided IT technical support by diagnosing and resolving hardware, software, LAN/WAN network, and printer issues to minimize system downtime.
- Installed, configured, and maintained Windows operating systems, network devices, and office IT infrastructure to ensure uninterrupted business operations.
- Monitored system performance and performed preventive maintenance, improving overall system reliability and user productivity.

#### Full Stack Web Development Intern

Pantech Prolabs India Pvt. Ltd.

Jul 2024 - Oct 2024

Remote

- Developed full-stack web applications using React.js, Node.js, Express.js, and MongoDB following MVC architecture and RESTful API principles.
- Designed responsive user interfaces and integrated backend services, improving application performance and user experience.
- Collaborated with senior developers to debug issues, implement new features, and follow best practices in code versioning using Git.

## Professional Certifications

---

### **Certified Ethical Hacker (CEH)**

Feb 2023

*Team Matrix*

- Acquired practical skills in ethical hacking, network security, penetration testing, and vulnerability assessment.

## Social and Extracurricular Activities

---

### **LU Research Bootcamp Participant**

*June 2021*

Organized by IEEE Leading University Student Branch (LUSB), participated in research-focused workshops and technical sessions.

### **Executive Member – LU Computer Club (LUCC)**

*June 2021–June 2022*

Organized and participated in technical and non-technical events to enhance student engagement.

### **Vice-Secretary – LU Rotaract Club (RCLU)**

*June 2022–June 2023*

Contributed to community service initiatives and social engagement programs.

### **Sports Engagements – Cricket, Football**

Actively participated in departmental tournaments and inter-college competitions.
